Sample Writing: In 400 words or less, please describe what role do you believe the press corps plays in the Youth & Government Program or in the American political process. Please write legibly. Spelling and grammar are important. Please attached a sample writing with the application. Writing samples could be used for the paper during Model Leg. Conference.

Note to Applicants: Due to an excessively large group last year, several members of the press corps did not get to fully participate in the Youth & Government experience. To help the press corps to be better prepared and efficient, the Press Program Coordinator, Josh Saylor, requested that the press application be completed and returned to him by Friday, October 29.

Please register me for the Indiana YMCA Youth & Government program. I understand that I must attend all scheduled meetings and activities of the YMCA delegation. I also understand that the \$25 deposit, returned with this registration form, is non-refundable, but will be applied toward my program fee of \$100.
